“ I worked with Sue for many years at IMPS, though she taught elementary students, and I, high school students. She was a great colleague, respected and kind, reaching out to mentor us younger teachers and putting her students first. I know how she loved her Dennis and doted on her family. She will not be forgotten. I am thankful for my memories of Sue and the beautiful example she set not only as a teacher, but as a wonderful leader and true lady.

“ When I started teaching fourth grade, Sue was my mentor. We were standing in the hallway one day talking and she was concerned that she would never have grandchildren. Her sons didn't let her down. My thoughts and prayers go out to the family.
