“ I came to know Sylvia through her work with the car care clinics she participated in each fall. I am a recipient of those efforts. Dear Sylvia! How can this be? We spoke so very recently and you asked how things are with me. I am so sorry, I didn't ask the same of you. I will miss you, dear Sylvia. To your family, may I express my most sincere sympathies, and may you find comfort in the knowledge she is resting in peace with Bryan, now waiting patiently for each of you to join her when the Lord calls you home. RIP, dear Sylvie!!
