“ Dear Family of Tammy...

*I am so sorry to hear of Tammy's recent passing... I met her when she was working at Freeman's & my Mom was there. Tammy was such a nice & friendly gal, and was so good to my Mom! She always had a smile & was so kind to all! It was so nice to hear her cheerful laugh every time I was there visiting! She went above & beyond the call of duty!
Rest in Peace, Tammy...*

My Sincere Sympathy~

“ Tammy & myself grew up in the same West Side neighborhood, we would walk to school everyday & on really cold mornings our Milkman (Kelly) would give us a ride to school! Tammy was such a beautiful soul inside & out. She definitely got that from her mom. My heart goes out to the family & close friends of Tammy. May she Rest In Peace! 🙏🙏🙏

“Kaz”, 59, Bless you, all I hear is your laugh. We had some fun partying in the woods. Speaking of Kiss, I see the guys being Kiss at the carnival.

“ Tammy was one of my very best friends growing up. I think we got close in sixth or seventh grade all the way into my early 20s when I would come home from college to visit. I last saw her at our 20th class reunion and we said we would stay in touch but sadly we didn't. I would try to find her through the years and thought of her often, as we had so many fun times driving around in her cute little Cobra Mustang listening to all of our favorite bands. I used to go to Felch to visit Betty and family with Tammy and I loved Margaret. Tammy was a wonderful friend to me during sometimes a challenging childhood and I am grateful for her sincere friendship to me during those years. I have never and will not forget our friendship... Till we meet again Tammy! I know that there is another bright star in the sky tonight because of her. 🙏❤️🙏 Sherri Gunville Morgan

I had the honor of being Tammy's coworker at Northpoint. She always had a smile on her face and was the first one to chip in and help no matter what the task was at hand. Her great sense of humor and sweet personality is something to be admired. Rest in peace dear Tammy.
