“ I worked with Terri at Big Boy restaurant in 1974 and Terri always made work fun! Though we lost touch many years ago, I cherish the memories of all the fun we had!

“ To the Families of Terry Jo Carlson,
I recently became aware of your loss of Terry Jo. My heartfelt condolences go out to all of you. I went to high School with Terry Jo and remembered all the great times we had growing up. She was always kind to me and others, When I was down she made me laugh and life then seemed less daunting.

Living in Iron Mountain for 52 years you would think I would have seen her more often; but, I didn't need to. Whether it was months or years when I ran into Terry Jo it always seemed like it was only just yesterday.

I know in my heart that she is with our Heavenly Father and that each of you will see her again in the Celestial Kingdom of Heaven. Her love for all will never cease you will once again feel her warm embrace and sweet spirit. May God bless all of you with comfort and peace.

Sincerely,
