“ I have a lot of memories. Uncle Terry I love you so much and I will miss you a lot. I remember playing skip-bo with you and watching you, aunt Carol, and my mom and dad play aggravation. My dad and you were funny to watch "throwing the cards across the room or the table." Or when you taught me and my sisters the NEVER EAT SOGGY WAFFLES. Also when you would come over you pulled into the driveway and I was in your lap before you could get the seat belt off. I will never forget you bringing me a donuts every time you came over, specifically long johns. Thank you Carol for making him so happy, in the time you had with him.

“ Dad came into our lives 14 years ago, a month before my daughter Arielle was born. From the first day he opened up his heart to us & since then treated us like we were his own. We have endless memories & photos of him that we will always treasure. We were truly blessed to have had his love, his humor & his shining light. My heart goes out to all of his surviving family as from a distance I feel my own great grief & emptiness of Dad's loss. Arielle lost her Papa too but is so very thankful that he was a huge part of her life. I truly believe that he was one of a kind & irreplaceable. We will never forget you Dad, stop remembering you & never stop loving you!! Thank you & please watch over us from heaven.
