“ *My heartfelt condolences on the passing of Thom. I have known Thom since I entered into the car business in 1991 at Town and Country Sales and really enjoyed working with him. I will certainly miss working with your father. He was a hardworking and honorable man.*

“ *I worked with Thom for a number of years; both at WMIQ and WJNR during the Hitz 101 days. We both shared the same level of professionalism and passion for broadcasting; and I will always remember how much he loved radio. We had some good times; and I will cherish those memories forever. More importantly, I remember how he would light up when he talked about Dan and Tara. As much as he loved radio, he loved his kids more. Our sincerest sympathy and thoughts are with all of you.*

“ To Thom's family: I am so sorry. I worked with Thom at K-Rock for four years. He was in Iron Mountain and I was in Marquette, but even though we didn't see each other a lot, he was always a helpful and nice person. I'm glad I got to see and talk to him in August--he will be missed by all those who worked with him both in Marquette and Iron Mountain. All of my sympathies.
