“ Barb, Mike, Jennifer, Laurie, I am so sorry for your loss and my heart aches for you all. Tim was like a dad to me, and always made me feel welcome and a part of your family. Letting us boys be boys, giving us opportunities and the resources to hunt and fish, taking me in when I "ran away from home", working long hours on the road, the smell of coffee poured from his thermos and the exhales of a Camel cigarette on cool fall mornings driving down the Nature Trail or Big Wheel Road with the windows cracked open. Even during recent visits (and I am sorry there were not more), with deteriorating health, he always greeted me with a smile from ear to ear.

*I am thankful to have known Tim, and for your friendship. With Love,
Dennis Blockland*

“ I have many thoughts of Tim. Growing up on the small farm in Petersburg. He had so much compassion. Heart as big as one can get. We fished together, we hunted together, we laughed and cried. When we lost dad it wad extremely tough on Tim, I truly believe they are now back together, May God be with you , your fishing pole has a bite, better get it.

“ Dear Barb, Jenny, Mike, Laurie and the entire Hoffman Family. My deepest sympathies are extended to all of you. Tim was always pleasant and had a smile for everyone he met. No one knew how he suffered with his illness, he just kept plugging along the best he could. May the arms of Jesus carry you through this sad time. May the day come soon when the happy memories will ease the pain. God's Blessings on all of you,
Christine Burns
