“ To all of Todd's family, I send my deepest sympathy. Todd and I dated in junior high and he was always so thoughtful. In fact, I believe it was Todd who my mom picked to dance with her at my 13th birthday party. I was completely embarrassed, but Todd smiled and giggled as my mom spun him around the dance floor. He was such a good sport. As we grew up, he stayed kind and always had a smile. When he moved across the street from my mom a few years out of school, with Heather and Lucas, it was nice to know that my mom had good neighbors. This is a sad loss and I will keep all of you in my prayers.

“ Words can not express how sad we are. Amanda and I wish we could have made it up in time from Chicago for the service. We wish we could be with Lucas and Heather and to give our sympathy in person to Cathy & Steve and the rest of the family.

One of my most favorite memories of Todd was when he asked me to dance at his wedding. I'll never forget how handsome he looked in his tuxedo!

My other favorite memory was when Heather, Todd and Lucas came down to Chicago the summer before last, I couldn't help but notice how attentive Todd was to Lucas. Todd woke up in the morning before all of us and took Lucas to our local convenient store to buy him a toy. When we woke up in the morning Todd and Lucas were outside happily and quietly playing together. What a wonderful father.

Our prayers have constantly been with the Schoen family since we heard the news and we will continue to pray for your comfort and peace during this sad time.

“ Mr. and Mrs. Steve Schoen and Family:
I just need to share....I can't make it to his wake/funeral so I want to give my own little memorial to Todd.

He was someone I grew up with since I was 8 years old...he was in my classes, he lived a block away from me, he would compete with me in school for grades, he was our paper boy, he worked at our little local neighborhood super market, Central Supermarket...I dated him my senior year in high school...he took me to my senior prom...he was a nice guy, a little too nice:) and I always thought that I would get to talk to him again.

Just a little thought, life is so short if you ever get someone in your head or think about them or whatever, you should act on it. You might never get the chance again....

*My deepest symphathies, he will forever be in my thoughts,

“ Dear Schoen Family- So sorry to hear of your loss. Todd was one of the few kids I went all the way through school with. (Andy McConnel, Chris Skoglund, Michelle Hendrickson) Starting at Kindergarten and moving all the way to graduation. I remeber Todd as a kind hearted soul. I seen him recently as a father. He seemed devoted, caring and patient. I'm sure he was a welcomed soul at heavens door. God Bless you all. Mariah Schewe (Schultz)
