“ I want to express my sympathy to Mr. Klungness, Kraig, Barbara, and family on the death of Mrs. Klungness. I remember her many kindnesses to me as a young boy living down the street from her, and later on, when Kraig and I were freshmen roommates at Michigan Tech. I will be forever reminded of her generosity whenever I attend an event at MTU's Rosza Center for the Performing Arts.

“ To the family of Verle Klungness, I was the 2002 recipient of the Verle Klungness scholarship to Albion College, and I am very grateful to Verle for the opportunity the scholarship has given me. I am currently studying pre-medicine at Albion and wish to persue cardiology in the future. Without the generosity of the Klungness family, I would not have had the opportunity to begin my preparations at a wonderful school like Albion. I send my condolences to your family, and would once again like to say thanks you.

Sincerely,

Jaime Fornetti

“ Jim--John and I want you to know that we are thinking of you at this sad time and mourning the loss of Verle. It has been such a happy thing for me to reconnect with Verle during the past few years after a long time away from Iron Mountain. She brought a great sense of humor and such a warm, caring attitude that will always be remembered. We both send our sympathy to you and your family. This would not be our chosen way to communicate at this time but we are in CA and don't have either of your addresses. Our love to all of you--Ruth and John Noyce

“ To the family of Verle Klungness, I was the 1995 recipient of the Verle Klungness Scholarship to Albion College. It was through her and her family's generosity that I was able to attend such a wonderful college. My family didn't have a lot of money to send me to college, and I know that I couldn't have attended Albion without such a large scholarship. After I graduated from Albion, I attended Luther Seminary in St. Paul, Minnesota where I got my Master of Divinity degree. I'm currently an ordained minister of two congregations in the U.P.: Concordia Lutheran Church in Palmer and Our Saviour's Lutheran Church in Suomi Location. None of this would have been possible without Verle, and I am so thankful. You have my condolences, and your family is in my prayers. Sincerely, Corinne Johnson

“ To the family of Verle Klungness:
I was the 1998 recipient of the Verle Klungness scholarship to Albion College. The generosity of the Klungness family allowed me to attend Albion College for four years, which would otherwise have been impossible. Because of the outstanding and challenging education that I was able to receive at Albion, I was accepted to medical school at Michigan State University. I am currently in my second year and will graduate from the College of Osteopathic Medicine in 2006. The opportunity to attend a school such as Albion prepared me well for my future career and I attribute much of my success to my education there. My time at Albion would not have been possible without the scholarship provided to me by the Klungness family. I am truly grateful. I send my condolences to your family.
Sincerely,

“ To the family of Verle Klungness,
I am a 200 recipient of the Verle Klungness scholarship to Albion College. The generosity of Verle and the Klungness family has given me countless opportunities that I otherwise would not have had, and I am very grateful. Due in large part to the Klungness family, I was able to spend a semester studying in London, and am now preparing to work towards a masters degree in social work. I send my condolences to the family, and again, many many thanks.
