“ We are both so sorry to hear about the death of Vivian. Wow,...just seven months short of her century mark. I remember many times that Carol would keep me up to date at the office on how she was doing . We both were going to come to the visitation but we both have colds. My mother turned 91 last week and she is doing very well but will be moving to Atlanta and live there the whole year with my brother Fred. God Bless Jim for doing such a great job over the years helping and being with his mother.
