“ *This is my dad. I loved him so very much, as I loved all of my parents. They all played a very important part of life and it made me who I am today. One big word of advice dad gave me that sticks to me is he told me "to love them Neiece just love them. As a Christian women I give that advise too. God is Love and Love conquered all. Just a 4 letter word. "LOVE" I love you and miss you more that words can tell. You lived what you taught.*
