“ To the Family of Walter Johnson;
I will miss Grandpa Walt very much, he was a very nice guy and friend to me and my parents. I knew Grandpa Walt since I was 2 years old. He really wasn't my grandpa but I apoted him as grandpa when we first meet him in Kingsford when we lived over on Hyland Street and ever since then I called him Grandpa. He will be sadly missed by everybody even his playing his music. I send this with my deepest sympathy. And if you need anything please let me know I will help out in anyway possible.
