“ We did not see each other often but we had many phone conversations over the years. Margaret Ann, I would like for you to contact me...we need to have a family member we can communicate with. I knew things were getting tough for him from what he told me and things were not getting easier. Hope he enjoyed his home and friends that he met. Sorry, someone was not with him when things got tough at the end. Know he is in peace now...

Hope to hear from you Margaret Ann....I did see your mother at Jeff's funeral and we had a nice chat....
