“ Dear Wanda and Family,
Mike and I were so sorry to see that your mom had passed away. We both knew her. My best memories of Wanda (Mrs. Trumble) was when I worked with her at JCPenny in my late high school/early college years. There was a group of us that worked their: Kim Goodchild, Tina (Gustofson) Francis, Lori (Unger) Fiera, Scott Celello & Brad Quas. The Manager was Betty Welty and we all had such a great time working together. Your mom had a good sense of humor and we all enjoyed working with her. She was FUN! Years after I often bumped into her around town and we would always chat.
All our thoughts and prayers are with you. The wonderful memories you have of her will keep her close.

Sincerely,
Dr. Mike & Lori (Ganz) Mellon

“ Sincere sympathy to all of Wanda's children and grandchildren. Wanda became my friend over the years on 7th St at least 65 years ago. And she invited me to be a part of the Monday Nighters Club with mostly all of her family members. It was a great group to be with as a young Mom. I missed visiting her at Victoria Pines the last 2 months when our Golden K Singers sang there each month. She always had a smile. Then I learned she was at Manor Care again. My memories of Wanda will always be special as she was such a special person in my life. May you find comfort in the good memories of this kind woman, mother, and Camp Fire Girls Leader. Jesus has already opened the door to welcome Wanda into her heavenly home prepared for her and she is at peace. God's love and comfort be with all of her loved ones. Love and prayers.
