“Bill touched our lives through Cody being friends with my son Eric. Cody was always so admiring and proud of his dad and spoke so highly of him. I know that Bill was a wonderful example of a good man because it is seen in his sons. My condolences to your family at this time of loss and know that we are keeping you in our prayers.

“ Mike, Sandy, Crystal and family,

*I am so sorry to hear about Billy's passing and for your loss. Although it has been quite a few years since I've seen him, I remember him as a happy, smiling, tender-hearted person who was there when you needed him. I've been praying that the Lord would give you and your family comfort and grace now and in the days to come as you lean on Him. With deepest sympathy, Alicia.*

“ I am so sorry to hear about Bill. We were great childhood friends in Wakefield and spent a lot of time together--sledding, skiing, playing outside. He always used to help me do my chores, too. I havent seen him in many years but have always remembered him and how much he used to make me laugh. May all of your happy memories comfort you and know that he was special to many people.

“ Sandy and Family.....There are no words to express our sorrow during this time of your loss. Though the years have separated us,,,we had many years of friendship. I vividly recall our years of school, the visits we made to visit with you, and the visit you made to Romulus to see us..Bill was a little guy then. Our prayers go to Bill's whole family.....

Sandy if you need anything, please don't hesitate to call.

Love,

“ *My deepest sympathy for the Pann family. I was so sad to hear of Billy's passing. I have so many wonderful memories of Billy and friends growing up. His laughter, uncanny way of making others do the same and always having a joke will truly be missed, he certainly was one to brighten a room. I only hope you find peace in knowing he touched many people and left many happy memories.*

“ *I am sorry to hear about Bill's passing. He and I were good friends in school. Hanging out, skiing, playing football and getting into trouble. And, yes, Bill helped in getting me grounded a couple of times. But, it was worth it. You could always count on Bill to make you laugh. A quality that surely will be missed by everyone.*
