“ Aunt Winnie was a wonderful woman and a wonderful family member to me and I will miss her very much. I enjoyed seeing her with my father Ward Marrow a while back when we had made the memorable trip in 1988. It was truly a wonderful time in my life to spend time with her and the rest of my beloved family there in Kingsford and Iron Mountain Michigan. We ate quite a few pasties together during that trip 😊. I had spoken to her many times on the phone since then and I will carry with me all the wonderful exchanges we've had over the years. I love you Aunt Winnie
